

The Solution is in the Community.

Local Alcohol Establishments attended Responsible Beverage Server Training Offered

Recently Responsible Beverage Server Training (RBST) was offered by the Working Together Coalition to local businesses. This training provided information for owners, managers, servers and sellers of alcohol establishments about strategies to avoid illegally selling alcohol to underage youth or intoxicated patrons. The goal of the training is to help understand state, community and establishment-level alcohol policies and their potential consequences.

We would like to thank the following businesses for having representatives trained:

- 50 Lakes Bar and Bottle Shop
- Anchorage Inn
- Andersons Ironfire Grill and Bar
